

**27th INTERNATIONAL SOCIETY
OF CARDIOVASCULAR PHARMACOTHERAPY
ANNUAL MEETING**

Dear guests, dear colleagues and friends,

It is our great pleasure to welcome you to the **27th Annual Scientific Meeting of the International Society of Cardiovascular Pharmacotherapy (ISCP)**. We are delighted to endorse such a prestigious event in Bucharest, Romania, on behalf of the “Carol Davila” University of Medicine and Pharmacy and the Romanian Society of Cardiology.

In the upcoming days we will have the chance to meet in person and online, and to enjoy the company and expertise of some of the most prominent specialists in different fields of cardiovascular medicine, pharmacology, and pharmacotherapy, from all over the world. We transmit our deep gratitude for their availability and scientific dedication.

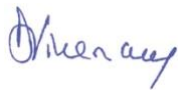

This international meeting will set the stage for sharing innovative developments, will provide a comprehensive overview of state-of-the art treatment of cardiovascular conditions, will spark interest with lively controversies and will uncover new directions in the management of challenging clinical scenarios.

We are looking forward to bringing together physicians, pharmacists, pharmacologists allied health care professionals, scientists, young researchers, and leaders in the field. A comprehensive pre-congress course and an exciting program are waiting to be discovered.

We are confident that this will be an excellent congress, and we are inviting you to be part of it!

Professor Dragos Vinereanu

President of the “Carol Davila” University Senate

Professor Bogdan A Popescu

President of the Romanian Society of Cardiology
